

Hungarian Rectors' Conference

The whole higher education institution system is represented by the Hungarian Rectors' Conference (HRC), a body comprising the heads of higher education institutions in accordance with the regulation of operation of HRC laid down in its Statutes. Our aim is to highlight the vast and diverse academic landscape in Hungary, showcasing the numerous opportunities for cooperation and shared values.

Hungarian Higher Education in Figures - 2026

Higher Education Institutions in Hungary

Higher Education Institutions in total **63**

Universities	42
• Universities of applied sciences	12
